

Mrs. C. Russak Honored Feb. 6 At Stork Shower

By BETTY MITCHELL
That big white bird was honored in spirit Friday night, Feb. 6, when a group of friends and neighbors gathered for a surprise stork shower for Mrs. C. Russak of Danaha St. Miniature diapers made the nut cups, while the many lovely gifts were piled in a bassinet. The refreshments included a white cake liberally decorated with beautiful pink rosebuds plus whipped jello dessert and coffee. Hostessing for the evening were Mrs. John Russak of Hermosa and Mrs. Steve Russak of Torrance. Other guests were Mrs. Justine Marceau, Vern Wass, John McAndrew, Claude Stinnett, Harry Stinnett, Edward Kachazar, Robert Schrauben, and James Brundage with her daughter Roberta.

We are very glad to hear that Mrs. Bert Mosley of Ward St. is recovering nicely following surgery performed at the Queen of Angels Hospital in Los Angeles. She is home now recuperating.

Otto Stiefel, one of the young people of our community has moved to El Monte where he will live with his family. He visited here in Walteria last Sunday.

Our sincerest sympathies are extended to Mrs. Nathan Gordon upon the death of her mother. Mrs. Gordon went back to Oklahoma for the services, but has returned home.

Illness seems to be taking a heavy toll in our community lately. Guess it's just like everywhere else with the old flu bug running rampant. Latest names on the sick list include Mrs. Wanda Cornell, who was confined to bed for several days. Mrs. Jack Graham of Ward St. was in bed for over a week with the flu too, while Dale Wickstrom's cheerful face was missed when he too was afflicted with the aches and pains of same. Both Mr. and Mrs. Stuart Rose of Newton St. caught the bug at the same time, which made things quite difficult around their home, since the three children were their normal energetic selves.

Journeying to Cedar Glen near San Pedro this last week-end for a meeting of MYF officers was Miss Colleen Gordon of Pacific Coast Hwy. Colleen is sub-district treasurer for the MYF as well as being president of the local group.

Speaking of the MYF, the whole group enjoyed a meeting and Valentine's Day party in Lomita on Sunday evening. Hosts for the evening were the Wayside Chapel young people.

Off on a combined business and vacation trip in San Francisco this week are Mr. and Mrs. Al Heintz of Neece Ave.

Sorry to hear that Mrs. Dorothy Martin's mother of Newton St. is very ill and has been confined in the hospital.

Most of the members of the community were cheered to hear that the local library may be open more hours per week in the near future. The cry for need for more adequate library service has been evident for some time. Lately several members of the community have sent letters to the powers that be requesting more library time.

Mr. and Mrs. Robert Cramer, Los Codona, are excitedly planning a trip for this week-end. The trip will be partly in honor of Mrs. Cramer's mother's birthday. The parents, Mr. and Mrs. Ray M. Howard, of Long Beach, will accompany the Cramers. They plan to visit Banning and hope to be in Indio for the Date Festival next Sunday. Also on the agenda is a sightseeing tour to see the wild flowers now coming out in the desert.

Mr. and Mrs. William Mitchell of Danaha St. journeyed to Los Angeles on Feb. 8 to celebrate Mrs. Helen Ziemer's birthday. Mrs. Ziemer is Mrs. Mitchell's mother. After a luscious dinner of fried chicken and all the fixings, the family enjoyed a birthday cake decorated with pink roses and pale green "Happy Birthday" lit with dark green birthday candles.

Hear that Mr. and Mrs. George "Sandy" Saunders formerly of Ward St. and now in the Hawaiian Islands, where he is stationed with the U. S. Armed Forces, are really enjoying their sojourn in the islands. They are also proud owners of a brand new car.
